DWA_12 Knowledge Check

To complete this Knowledge Check, ensure you have worked through all the lessons in **Module 12: Declarative Abstractions.**

To prepare for your session with your coach, please answer the following questions. Then download this document as a PDF and include it in the repository with your code.

_____

1. What are the benefits of direct DOM mutations over replacing HTML?

Performance boost
_____

2. What low-level noise do JavaScript frameworks abstract away?

Imperative updating of the DOM, keeping track of what elements need to change
_____

3. What essence do JavaScript frameworks elevate?

They encapsulate the imperative code and promote declarative ways of programming.
_____

4. Very broadly speaking, how do most JS frameworks achieve abstraction?

They hide away the imperative DOM mutations
_____

5. What is the most important part of learning a JS framework?

Knowing the imperative code of the framework for debugging purposes.
